

Android

How do I save the campus app on my Android device?

Open the following page in the Chrome browser of your smartphone or scan the QR code.

You don't need to log in yet!

<https://app.tha.de>

To the app

Click on the **three vertical dots** on the right side of the address bar.

In the menu that appears, select **"Add to Home screen."**

Enter a name for the app, for example **"Campus-App,"** and click **"Add."**

In the next dialog, click **"Add to Home screen."** The app is now on your home screen.
