How do I save the campus app on my iPhone or iPad?

Open the following page in the Safari browser of your smartphone or scan the QR code.
**You don't need to log in yet!**
https://app.tha.de

Click on the "**Share**" button (⬆) below the adress bar.

Scroll down in the menu that appears and select "**Add to Home Screen**".

Then enter a name, such as "**Campus-App**", and click on "**Add**".

The app is now on your home screen.
